The N/E Committee, in its obligation to perform due diligence, would like to request the nominees to consider the following factors before accepting the nomination. This is to ensure that the nominees, when elected to serve, are fully aware of the demands placed on their time and resources, any potential conflicts of interest through their current or past tenure as office-bearers of some other organizations.

The official membership list, as finalized by November 1, 2021, is the list that will be used to send ballots in February 2022. **Members should update their addresses before December 31.** Correct mailing address is important to assure timely delivery of ballots.

Please refer to website for updates on election schedule.

Please read all the eligibility requirements provided in the Election Manual, posted on the TFAS website (<http://www.tfasnj.org>).
